A court of Independent Order of Foresters was organized in Northfield last week Thursday night. The order was started with about twenty-five members. The number of the court has not been decided upon but three names have been presented, Maine Northfield and Norwich.

They were all in city court, bail being fixed at \$300 for Mrs. Lamoine and at \$100 for each of the girls, the cases being continued.

U. S. Marshal Horace W. Bailey of Rutland received word Wednesday that A. G. Zaisner and W. P. NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be the grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of cheering rewards for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

ter consultation with the city board of aldermen Mayor Ketcham announced the committee as follows: Capt. C. E. Parker, Thomas Mack, E. G. Norton, Dr. F. C. Phelps and Dr. G. F. B. Willard.

Last Hope Vanished.

When leading physicians said that W. M. Smithart of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me and saved my life. Since then I have used it for over ten years and consider it a marvelous throat and lung cure." Strictly scientific cure for coughs, sore throats or colds; sure preventive of pneumonia. Guaranteed. 50c and \$1.00 bottles at the Red Cross Pharmacy. Trial bottle free.

About Making Gardens.

There is nothing better than pure ground bone in making gardens. A teaspoonful in a hill is a permanent benefit, lasting all summer. Enclose \$3.25 in check or postal money order, or in a registered letter, and a trial barrel will be shipped to you promptly. If you don't need it all divide it with your neighbors. We publish a little booklet showing how to use ground bone as a fertilizer in gardens and in green-houses and to promote the growth of your flowers and shrubbery. Send your name on a postal card and it will be sent to you free by return mail. C. S. Page, Hyde Park, Vt.
